Prelude

All domiciles have a certain form, that's certainly cubic and that's the core form of it. It has three dimensions like Height, Width and Depth. These three dimensions confirm the form of a Cube. This core theme is the actuality of naming our company – Cube Holdings Limited (CHL).

So, what remains to make a domicile? That is CHL's concern. CHL are adding some aesthetic values on it as per your taste and demands. To create a domicile CHL highly prefers to consider your Comfort of Living and that's the way we are adding the aesthetical values and that's the top argument of our branding.

In spite of distinctive architecture, quality conservation, robust construction, natural balance, rich location etc. comfort is our prime concern and that's the reason of our outstanding brand values. We mainly care your taste and dignity. Our consumers are our spokesmen.

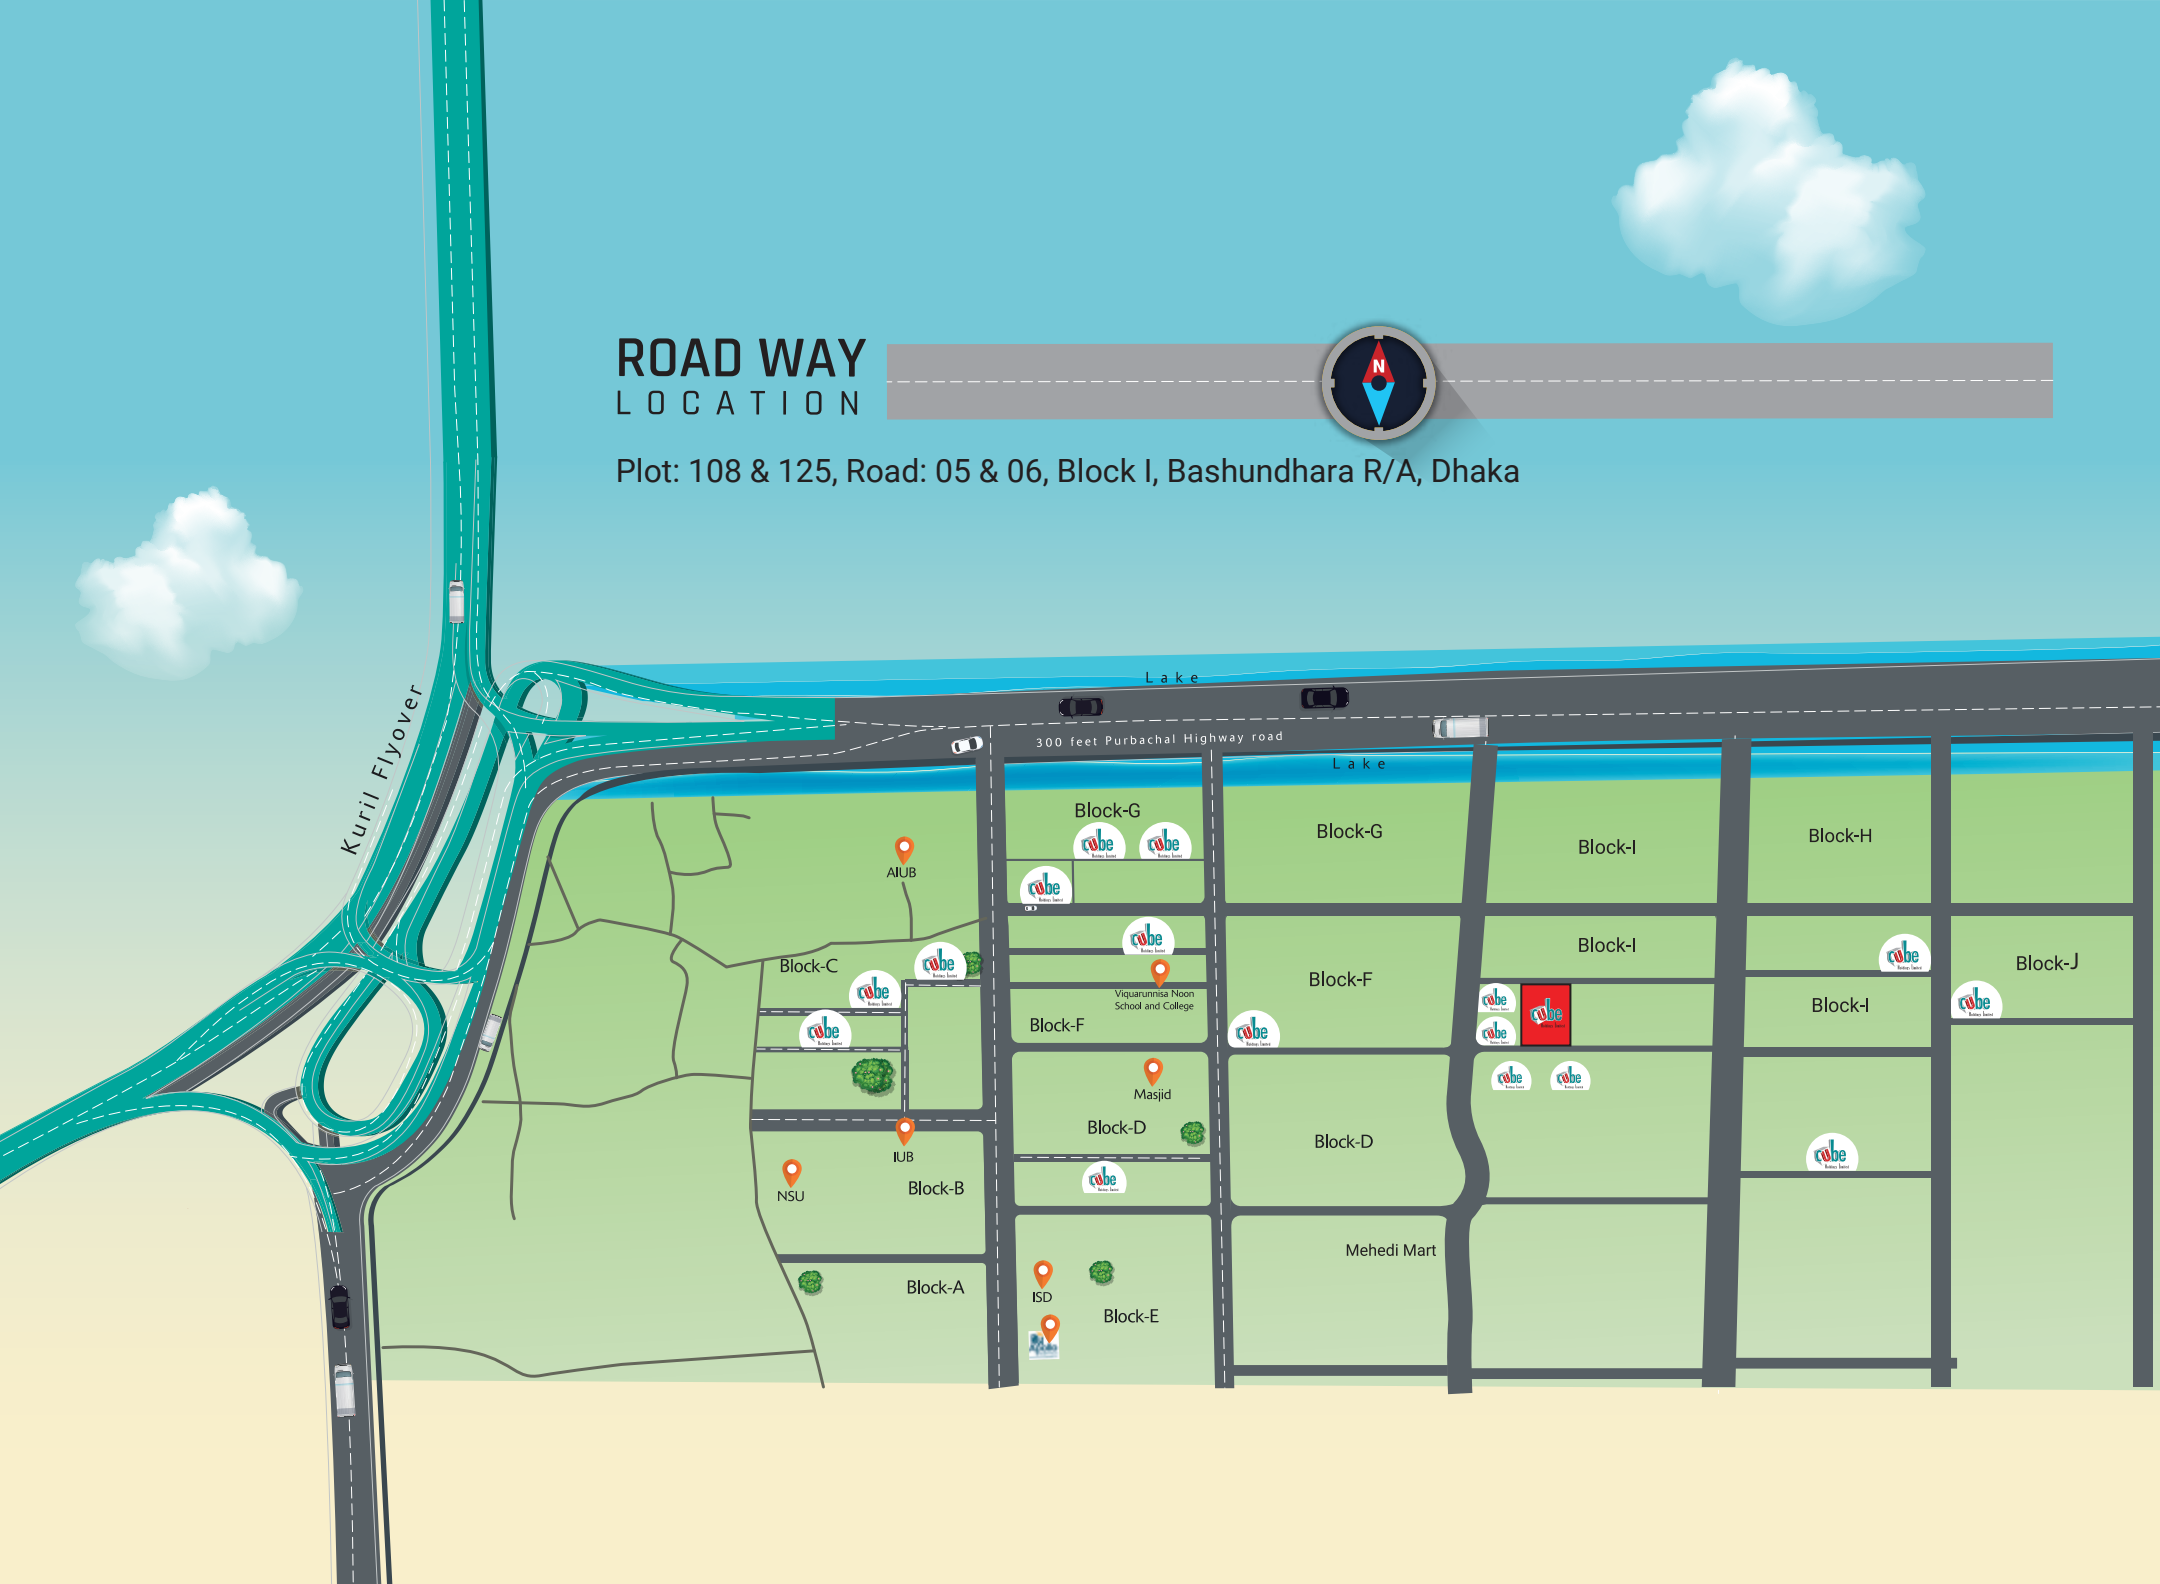

CUBE - is the way of comfortable living.
